

PRODUCT SALES SHEET

LEMON CDD

**ALL PURPOSE
NEUTRAL DISINFECTANT**

Features

- Concentrated All-Purpose Quality Cleaner
- Aqueous Cleaner Concentrate
- Nonflammable & Biodegradable
- Water Soluble & Free Rinsing

Description

A quaternary germicide with neutral pH to provide exceptional cleaning power while disinfecting and deodorizing without harming any surface, even wax. Kills Pseudomonas, Salmonella, Staphylococcus, and is virucidal. Use on plastics, vinyl, synthetics, enamel, glazed porcelain, linoleum, tile, smooth leather, enameled and finished wood surfaces, and most common metals. EPA registered for use in food areas counters, etc. Standard dilution is 1 part to 40 parts water. Our most popular deodorant choice is Spring Breeze CDD because of its mild floral scent. All deodorant choices are good and are designed to linger for many hours. Part of our exclusive **Super Care Floor Maintenance System**—just look for the SC logo.
